THE SLIVER OF THE MOON FOR ROSH HODESH 9th MONTH SHOULD BE VISIBLE ON THE EVENING OF THE 20th DECEMBER			
We have introduced one service each month that is Non Liturgical and has an open discussion time instead of a D'var in the service. This service may suit those coming for the first time.			
There are no collections taken in this ministry. A Terumah or free will offering box is available at each service for your contribution, in keeping with the practices in the Torah and the Brit Hadashah
