THE SLIVER OF THE MOON FOR ROSH HODESH SHOULD BE VISIBLE ON THE EVENING OF THE 20 TH DEC			
We have introduced one service each month that is Non-Liturgical and has an open discussion time instead of a D'var in the service. This service may suit those coming for the first time. Will resume this in February 2018			
There are no collections taken in this ministry. A Terumah or free will offering box, is available at each service for your contribution, in keeping with the practices in the Torah and the Brit Hadashah.
