Our services are prayer and worship services mostly in English, with liturgy compiled from the Torah, the Prophets the Writings and the Brit Hadashah (New Covenant writings of the emissaries)  
Messianic songs and dances enhance our worship  
Torah readings follow the Jewish parashah system, as written in the Complete Jewish Bible and include other readings from the whole of the Bible.  
A teaching (D'var Torah) follows the readings.  
Children's study groups are usually available during the D'var Torah

A T'rumah or free will offering box, is available at each service for your offering, in keeping with the practices in the Torah and the Brit Hadashah, in that we don't come before our Elohim empty handed. No formal collections are taken.

Lunch and further open discussion on the readings and teachings of the day follow in the afternoon

ALL ARE WELCOME TO STAY ON FOR LUNCH AND FOR THE AFTERNOON DISCUSSION
